

WIRE
BY DESIGN

THATCHER

THATCHER's simple, small scale design and flattened wire pattern give this mesh a sleek, sophisticated design to fit your design needs. Whether it is used as an exterior sunshade or interior bar front, it will be sure to attract attention.

At Wire By Design, the possibilities are only limited by your imagination. In addition to the designs featured in our product specifications, we can customize a wire mesh to your particular project needs.

Wire By Design architectural wire mesh is manufactured in Lancaster, Pennsylvania.
